He evidently smiled perhaps in an amused way at first, then a little grimily and ironically, when it came to his ears that the wises of his subordinates had entered into a crushing social ring to ostracise and persecute the newspaper woman.

Miss Thompson had an unexpected visitor one day. Admiral Dewey sent up his card. He paid a long call. He and Miss Thompson found much that was interesting to talk about. In the onjoyment of their talk they were apparently oblivious that the rest of the Oriental hotel had gone mad.

The world had called on a working-woman! They were made to appear in the wrons.
